## Habitat for Humanity Update

A house was built at 2902 Elm Street during a "5 day building blitz" June 6th through 10th, sponsored by the Dubuque Builders Association and Habitat for Humanity of Dubuque & Jackson counties in partnership with the Laura Morris Family. On Friday, June 17th at 4:00 pm, a community Dedication and Blessing of the home was held following the recognition of local contractors, community volunteers, and the introduction of the family including children aged 5 and 9. A ribbon cutting was witnessed and celebrated!

A Habitat for Humanity FAITH has also made preparations at 767 University to excavate the lot then pour cement as weather permits. Completion is planned for this fall.

- 1) Volunteers needed Saturdays until finished;
- 2) Meals for workers also needed;
- 3) Donations to fund this or future builds accepted.

## St. Luke's Garden Ministry News

### Purdy Produce Plot Planters, Pickers, and Preparers:

The prolific lettuce crop is dwindling but has provided tossed salad for all our Food for the Soul guests for

four consecutive Saturday meals with extra greens for guests to take home. Our harvest has been about 65 pounds. The price of organic mixed greens in the store seems to range from \$1.99- \$3.49 for a 5 oz. bag. You can do the math to determine the monetary value of the vitamin packed, fresh greens we provided from our church garden and there was very little fuel used to get it into our church kitchen. It did not come without labor, however.

Kathy Michel, Terry Berry, Terry Stewart, Helen Johnston and Marsha Dubbels have been dedicated volunteers cleaning and bagging all that lettuce. In addition to the lettuce, one of our garden volunteers, Sonja DeMulder donated a huge quantity of kale and 2-3 pounds of lettuce. There were bags of kale for guests to take home last Saturday.

Zoe →

We have had help in the garden but can always use more. The photos should indicate that no one is too young to volunteer. Fortunately, we have had recent rain, so watering won't be needed again. **Volunteer help on Saturday evenings is always welcome. There is always something that needs to be done.**

I would say these tomatoes were the first harvest for 2016, but that would not be counting the two that Zoe and Xander spied on the vine. Guess who ate the first tomatoes from our garden? It only seems appropriate thanks for the onions and tomatoes they helped plant and the spraying they did. The old recipe for mud has not changed... water and dirt makes wonderful mud. Is there anything healthier and better for child development than playing in the mud?

Cori & Xander

## Did you know?

Many of us in the church are familiar with the history of our beautiful windows made by Louis C. Tiffany & Company, but did you know what the name Tiffany actually means?

The name Tiffany is Greek in origin, meaning "revelation of God," a variant of Theophania (Theo + phania = God + revelation). In many countries, girls born around Epiphany (January 6) are given this name. Epiphany commemorates when the three Magi saw the infant Jesus, the revelation of God to the three Magi.
