Habitat for Humanity

The house is finally finished! The dedication will be on Sunday, June 28, at 2pm, 2300 Washington St. There will be an open house on June 27 from 1-3pm and is open to the public.

Dear St Luke's Friends,

I would like to thank you all for your thoughts, prayers, cards, visits, e-mails, and calls. I really appreciated having such caring friends thinking of me after my surgery and also after my daughter Tammy's surgery. We are both doing well now and hope to see you in church soon.

Also, thank you to Pastor Lundula for his visits and prayers while I was in the hospital.

SENIORS OUT AND ABOUT

The next SOA (Seniors Out and About) will be held on Sunday, July 26. The theme, "Come to the Cabaret," is a hint to what you will be doing. The musical, *Cabaret*, will be presented at the Grand Theater. All will leave from the Woodlands at 1:15 p.m. and the cost is \$23 (transportation & theater ticket). Please RSVP To Flo Helsper (584-0302) **BY** Sunday, July 12.

FOOTSTEPS

"Walk a little slower Daddy,"
said a child so small,
"I'm following in your footsteps,
and I don't want to fall."

Sometimes your steps are very fast,
Sometimes they're hard to see,
So walk a little slower, Daddy,
For you are leading me.

Someday when I am all grown up,
You're what I want to be,
Then I will have a little child
Who will want to follow me.

And I would want to lead just right,
And know that I was true,
So walk a little slower, Daddy,
For I must follow you."

Benediction

The River Is Here

by Andy Park

With the increased revenue and the slightly decreased expenses through the end of May this year, St. Luke’s net operational financial situation is over \$11,000 better than it was last year at this time. This is a true cause for thanks and celebration!

The time for real celebration is still ahead because our \$11,000 improvement is just under half of what we need it to be so that our on-going revenue would match our on-going expenses. This goal of matching our operational revenue with our operational expenses that once seemed so very far away is now almost 50% closer than it was at this time last year.
