* Opening Hymn “All I Need Is You” TFWS 2080

* Opening Prayer (in unison)

God of Provision, you are both the source of our hunger and the source of our satisfaction. Like little children who come to their mother asking for food, we come to you asking to be filled with your love and care. There are times when you allow us to be hungry. In those times, may we be patient, and may we grow in faith and hope, remembering that when we are hungry, the food you provide is the most satisfying. May our worship today be pleasing to you, and when we share the bread and cup, may we find true satisfaction. We ask this in the name of The Bread of Life, Jesus Christ.

Green Thoughts

(from St. Luke's Green Team)

The average American throws away 182 pounds of plastic per year. Consider giving up disposable plastic bags as your Lenten discipline. Try it. Small conservation steps add up.

“Adam and Eve made decisions on the basis of what pleased them, but in doing so they inflicted deadly consequences upon humankind. Jesus was tempted to make decisions that would bring him comfort, prestige and power. However, he refused, and so he became the source of our life and our salvation. Lent gives us an opportunity to reflect on our decisions and their consequences – past, present, and to come. “
