Opening Hymn *Gather Us In*

FWS 2236

\*Invocation

Leader: Every day in our nation nearly 15 million children are living in poverty.

**All: Children in poverty wonder, how long must I cry for help?**

Leader: Every day in our nation nearly half of children in poverty and their families don't have enough food.

**All: Hungry children wonder, how long must I cry for help?**

Leader: Millions of children living in America are homeless or have unstable housing.

**All: Children and their families without secure homes wonder, how long must I cry for help?**

Leader: Nearly 70% of children in poverty have parents who work, but don't earn enough to lift the family out of poverty.

**All: Low-wage working parents wonder, how long must I cry for help?**

Leader: In most states, center-based child care for babies costs more than in-state college tuition. Unaffordable child care keeps many parents from being able to work and keeps other working parents in poverty.

**All: Parents wonder, how long must I cry for help?**

Leader: In communities everywhere, families experience injustice.

**All: We wonder, how long must we cry for help.**

Leader: How long?

**All: Not long! Because God surely hears our cries.**

Leader: How long?

**All: Not long! Because together our voices are stronger than one voice alone, and we will make the cries for children and families heard until our nation responds.**

### Opening Prayer (in unison)

Dear Lord, we gather on this Children's Sabbath to hear the children who wonder, "How long must I cry for help?" We gather to heed God's charge to write the vision and make it plain. We gather to answer Christ's call to serve the last, the least and the littlest ones. We gather to be strengthened by the Spirit to bend the arc toward God's vision of justice. Help us be the voice of those whose need our help. Amen
