## Enough: Discovering Joy through Simplicity & Generosity

At the beginning of October we began a church wide study and worship emphasis called *Enough: Discovering Joy Through Simplicity and Generosity*. Over a period of 5 weeks, we will look at some of the financial challenges facing us as a nation and examine our own spending, saving, and giving habits. In addition to exploring biblical principles of financial management, we will learn ways to assess our financial situation and develop a financial plan that will allow us to experience the true joy that comes through simplicity and generosity. At the end of the emphasis, we will have the opportunity to make personal commitments of giving for the coming year. We will consecrate these commitments on Sunday November 12th, 2017.

Visit our website, [www.stlukesumcdbq.org](http://www.stlukesumcdbq.org) for more information, including details about small-group study opportunities during this time.
