### Youth Program Meeting

#### Results from February 1st Meeting

Two dozen people met the evening of February 1st for an hour discussion on structural changes to the youth program. Attendees first shared weaknesses of the current youth programs, then strengths. The final step was to make specific suggested changes. At each stage, responses were shared via sticky notes, read aloud, organized, and discussed. There were some common threads between the shared notes, and a subcommittee of people in attendance volunteered to work towards putting the highest priority items into motion.

**The Busy Bees** in 2016 made **27 comforter quilts** for Hillcrest, **4 lap quilts** for “Thinking of You” visits, and **4 baby quilts** for newborns. **Thank you** to the Busy Bees and to individuals who have supported this ministry.
