## Chuck's Chat - March 7, 2018

You have heard the phrase: "Laughter is the best medicine." With so many people sick with the flu and colds, we need all the medicine we can get. With so much seriousness and danger and anger in the world, we need a social lubricant that isn't addictive like alcohol or drugs, and that can help us to come together when it feels like society is fracturing.

For a full-scale essay on the many benefits of laughter, I recommend "The health Benefits of Humor and Laughter" from *HelpGuide.org*. Let me just share the headlines with you.

- Laughter is good for your physical health.
- Laughter is good for your mental health.
- Laughter helps you relax and recharge.
- It shifts your perspective, allowing you to see situations in a more realistic, less threatening light.
- Laughter draws you closer to others and strengthens relationships.
- Humor helps us to resolve disagreements and tension in our relationships.

Fortunately for folks who don't laugh a lot, it's a skill that can be learned. The essay has many suggestions. A few include:

- Smile. It is the beginning of laughter. Look at and smile at people.
- When you hear laughter, move toward it. Often people are very happy to share something funny, because it gives them an opportunity to laugh again.
- Spend time with fun, playful people.
- Ask people, "What's the funniest thing that happened to you today? This week? In your life?"
- If all else fails, just laugh. For no reason. Do a big, sustained laugh. It will oxygenate your blood, give your innards a workout (internal jogging!), and relax your muscles.

At bible study this morning, someone wondered if Jesus and the disciples ever laughed. Seems the Bible doesn't say anything about Jesus laughing. My answer was, "You can't get a bunch of fishermen together without someone telling a fish story!"

So, have you heard the one about...?

## Our Caring Community

Lord, as we continue life's journey, we pray for all who are challenged by health concerns and ongoing illness.

We know that the awesome God we worship hears the prayers of our lips as well as the prayers of our hearts. We pray for the people who are currently dealing with a recent illness, surgery, injury, or medical concern:

**Nasim's daughter** (Kathy McWethy's friend) - NICU

Prayers for people in Care Centers:

<b>Betty Farcas</b>	<b>Edie Bruehahn</b>
<b>Sally Wiegand</b>	<b>Mary Dempsey</b>
<b>Barb Boettcher</b>	<b>Margerie Kreassig</b>

Prayers for people with ongoing health issues:

<b>Cheri Loveless</b>	<b>True Mills</b>
<b>Ron Liskey</b>	<b>Susan Funke</b>
<b>Peggy Lemke</b>	<b>Johnny</b>
<b>Brett Cooper</b>	<b>Bonnie Jorgensen</b>
<b>Jeanne Patterson</b>	

Prayers of consolation for recently lost loved ones to the families and friends of:

**Mary Arganbright** (Suzette Hughes's mother)  
**Robert Fisher** (Bonnie Sander's father)  
**Barbara Egbert** (Dick Rollefson's sister)  
**Margaret Keltner** (Judy Schimdt's aunt)

Our prayers also turn to prayers for Peace and Justice around the world. We especially remember all those who currently serve in our country's armed forces. Lord, we ask your special touch of compassion for all the victims of civil discord and war, the families of soldiers, and the families of police officers. It is in the name of your Son and our Savior that we offer our prayers. Amen.

**Happy Birthday** to our church family and friends with birthdays this month! May the celebration of life on your birthday be filled with many blessings from our Lord.

## St. Luke's Garden Ministry opportunities

It has been 8 years since we started our garden ministries, another of our outreach efforts to address food insecurity and injustice. Over the years, we have had many, many volunteers and participants from our community, which is how our ministries demonstrate "being church" in our community and how we model discipleship.

Although we no longer are planting the large church garden at the Purdy acreage, we still have two garden ministry projects. They are the Wading Pool Garden project and our Edible Landscape project. The Wading Pool Garden project is a program to provide a child size wading pool as a container and the soil, seeds and plants for the recipient to grow fruits, vegetables or herbs. The Edible Landscape project is a green effort to use urban space to grow food rather than to leave vacant or to mow.

We need the help of parishioners to continue these im-

portant ministries. You do not need to be a gardener to be able to help with the many tasks. These are some of the tasks for which we seek your help:

- Plant seeds and tend plants at the Dubuque Rescue Mission greenhouse. Times will be determined according to need.
- Assist the morning of May 5th with the Wading Pool Garden Fair.
- Be a Garden Guide for a new wading pool gardener or at one of the Residential Group homes.
- Help plant and tend the St. Luke's parking lot edible landscape and other areas, as needed and harvest produce from any area of our edible landscape.

Sign up sheets are on the South hallway. If you have any suggestions, questions or donations for our garden ministries, please call or email:

## Red Basket Project

This project was created to provide women and young girls with access to free feminine hygiene products at sites throughout the city, including schools. St. Luke's is one of the sites.

There is no designated funding for this project at St. Luke's so it is dependent on donations. **Please consider donating funds or products including:**

**Tampons:** Regular or Super;

**Pantliners:** Always Thin Pantliners, any brand medium or heavy absorbency pantliner, or any brand heavy absorbency pantliners.

These products are packaged into packets and provided in the women's restroom in the lower level of the church outside the fellowship hall. At least 10 packs are taken per week. Thank you for your past donations and we ask you to continue to donate. Lack of these products impacts school and work attendance for women.

## Call for Technology Volunteers

We need volunteers to make this ministry work. Volunteers are needed to record a service once a month and to make the DVDs. The church provides the equipment and the training. **Please contact Bobby Martin or the church office.**

Fabulous Fridays return to St. Luke's United Methodist Church on January 12, 2018. Now in its 27<sup>th</sup> season, this popular series began in 1992 with musicians from St. Luke's and grew to include locally and nationally recognized artists. More than 200 artists have performed for these informal downtown concerts during the series' history.

Performances begin at 12:05 p.m. and are 30 minutes in length. Many in the audience bring their lunch and enjoy time together after the concert in the Fellowship Hall, where coffee and desserts

are available. The concert, coffee and desserts are free, but baskets are available for contributions, the proceeds of which go to People In Need (P.I.N.) and St. Luke's "Jesus Fund" for food assistance. Metered street parking is available. Accessible entry is in back of church. Our winter weather policy is that if the artist can get there, the show is on.
