## Donate to the Jesus Fund

This ministry helps people in need get healthy groceries by providing them vouchers to Eagle’s grocery, especially when government food benefits don’t stretch to the end of the month.

Donations can be given in envelopes put into the offering plate labeled “Jesus Fund.” Your help keeps the Jesus Fund ministry functioning to add that extra little bit of food security people need.

### **Andrea (and Larry's) Adventuring....**

It was 2008 when I last wrote in the Chimes under this title. That was the year that I ended my job as the Director of Discipleship Ministry at St. Luke's. I will always treasure the time that you allowed me to participate in your lives through the church. Larry and I moved to Dubuque from Kansas City, Missouri, in 1989 immediately after we were married. Jim Purdy came to us at the end of our first service at St. Luke's and asked us to lunch. Judy Tabarel, choir director at the time, asked us to join the choir. We never visited another church and were immediately taken into the loving arms of this place and people. What an amazing journey it has been through times of joy as well as grief. In our time here, we were given the opportunity to help with about every committee, teach Sunday School, sing in the choir, perform solos and duets, start new programs, chime and cook meals but most importantly, laugh, love and cry together. How grateful we are to have found you and to have had the opportunity to be in service together.

Another adventure... On September 2, we will leave for Alicante, Spain. We have a year residency visa with options to renew. Alicante is located on the Mediterranean Sea south of Valencia. No, we don't speak Spanish, but we plan to learn. Health care is good, food is fresh and there is a diverse population of people living there. Public

transportation usually works well, so we plan to go without a car. We began considering this possibility two years ago. After two extended visits, much consideration and some trepidation, we are finally taking the leap across the pond. We plan to return for visits when Larry comes back for board meetings in Chicago twice yearly. So, you will still see us around. There are too many beloved people here for us to ever stay away too long.

Our children are in Connecticut, Colorado and Spain. Nadia recently moved to take a job through the Spanish government in the northern town of Lanciego working as a native English speaker in a trilingual school (Basque, Spanish and English). She may stay an additional year or continue to pursue her desire to travel and learn languages with a stay in China before graduate school. We will be living about 400 miles apart.

Our contact information will remain the same and is available through the church office. If we decide to write about our adventures, we will let you know. Nadia already blogs if you wish to follow her at [www.booksfoodtravel.com](http://www.booksfoodtravel.com).

We are grateful for your love and good wishes and welcome questions and continued contact.
